Digital Citizenship Plan | 2026-2027

Calgary Board of Education

Nellie McClung School

Digital citizenship is about using technology and participating in digital environments. It is key to helping our students learn to use available technology responsibly in the classroom and beyond. This Digital Citizenship Plan addresses how we work to build a community where we live and work together as digital citizens.

Relevant contextual information about our school and School Development Plan:

High achieving school - requires significant enrichment programming

K- 6 school with a diverse population

Significant EAL population

Many students prefer to use technology supports

Relevant evidence and data that informs our Digital Citizenship Plan:

PowerSchool Data indicates that **18%** of students are EAL

PowerSchool Data indicates that **17%** of students are supported with an IPP for learning

CBE Student Survey Data indicates that **95%** of students learn new ways to use technology at school

CBE Student Survey Data indicates that 94**%** of our students have access to technology at school

CBE Student Survey Data indicates that **84%** of our students understand what digital citizenship means

CBE Student Survey Data indicates that **29%** of our students require support checking that the 'information I access online' is reliable

CBE Student Survey Data indicates that **18%** of our students require support with how to be safe online and how to protect personal information

CBE Student Survey Data indicates that **8.43%** of our students require support with online presence and making responsible decisions

CBE Student Survey Data indicates that **84%** of our students understand what digital citizenship means at our school

CBE Student Survey Data indicates that **15%** of our students cannot tell if information online is real or made up

Long Term Goal	Competency	Short Term Goals	Outcomes	Activities & Resources	Measures
